

**period.
promise**
A United Way and Labour initiative.

Celebrating 10 Years

Thank you for your past support of United Way Saskatoon & Area and Labour's Period Promise campaign. As we prepare for March 2026, we're reaching out to see if your workplace would like to join us again in raising awareness and supporting people in our community who struggle to access menstrual products. [Learn more!](#)

[DONATE](#) 

Workplaces can support Period Promise by making a financial donation. All support goes directly to local organizations to help individuals who face barriers to accessing these essential items. [Donate here!](#)

[GET INVOLVED](#) 

Run your own internal Period Promise campaign such as a product drive, fundraiser, or awareness activities. We can provide materials and support to help make your efforts successful. [Get started!](#)
